

MEMO 18 - 24

To: FQPL 3 South Coast Men Clubs
From: Football Queensland
Subject: FQPL 3 South Coast Club Audit
Date: July 12, 2024

Dear Clubs

Football Queensland has recently conducted an audit of permitted visa players at clubs currently participating in the FQPL 3 South Coast Men's competition.

Following the visa player eligibility sanctions placed on Gold Coast Knights FC in April 2024 and the subsequent FQ Memo 13-24 issued to all FQPL 3 South Coast clubs, Football Queensland was notified of several additional alleged breaches of clubs exceeding the permitted five (5) maximum number of visa players listed on the team sheet throughout the season.

The alleged breaches were investigated through a competition-wide audit on visa players at every FQPL 3 South Coast Men's club.

Outcome

Following the audit, Football Queensland determined on 11 different occasions the maximum number of visa players permitted on a team sheet was breached by a competing club, deeming each of the fielded players ineligible.

Accordingly, and in line with Football Queensland Rules of Competition, the 11 impacted match results will be reversed/changed to reflect the relevant sanctions as per the below, with results to be amended accordingly by FQ within Squadi.
