

## MEMO 21 - 23

**To:** Queensland Clubs  
**From:** Football Queensland  
**Subject:** 2024 Referee Match Fees  
**Date:** September 29, 2023

---

Dear Clubs

Football Queensland has confirmed the referee match fees for the 2024 season.

In line with the implementation of Future of Football 2020+ reforms, referee match fees will continue to be standardised throughout the state, with minimal changes made for 2024 to assist clubs in budgeting and to contribute to the stability of fees.

Clubs will be invoiced for FQ supplied referees within the Squadi platform which will be directly auditable for matches across all competitions excluding specific advanced competitions where referee fees are included as part of the participation licence fees payable.
