**From:** Football Queensland  
**Subject:** 2025 Registrations  
**Date:** October 23, 2024

Dear Clubs

As preparations continue for the 2025 season, registrations have opened today via Squadi for advanced competitions including NPL, FQPL 1–6 and FQ Academy Leagues.

Registrations for community competitions across the state will open this Friday, 25 October.

As confirmed in FQ Memo 21-24, governing body fees for MiniRoos, Juniors and Seniors will remain unchanged for the 2025 season, leaving Queensland with Australia's lowest registration fees.

Local venue fees have also been confirmed as clubs are reminded that the cost of managing football facilities is heavily influenced by local factors and is separate to the governance and administration of football.
