

MEMO 50 - 24

To: South Coast Clubs
From: Football Queensland
Subject: 2025 Team Fees
Date: November 14, 2024

Dear Clubs,

Football Queensland has confirmed the team entry fees for the 2025 season, with the payment of these fees contributing to the cost of administering and delivering each competition facilitated by Football Queensland throughout the year.

Across the state, some minimal changes have been made to bring further alignment within each conference for 2025.

The 2025 team entry fees for clubs in the South Coast region are outlined in the table below.

2025 Team Entry Fees

Competition	Team Entry Fee (exc. GST)
MiniRoos*	\$40
Junior - Community	\$135
Senior - Community	\$150

**Football Queensland has seen a substantial increase of more than 1,000 new MiniRoos teams in recent years. However, this rapid growth has led to evolving operational and administrative challenges, impacted by late team movements, team additions and dropouts resulting in significant delays to fixture releases. To mitigate these challenges and to improve the overall competition service delivery, FQ is reintroducing a small MiniRoos team entry fee and new dedicated MiniRoos support resources.*

End.
