To Whom It May Concern,

I am writing to request an exemption from Club Football Training for the Match Official presenting this letter to you, throughout the 2025 season and any other season in which this Match Official is also a registered Football Queensland Referee. This exemption is to allow the Match Official to attend in person regional referee training, in accordance with Football Queensland's agreement with all affiliated clubs.

As per this agreement, players who also serve as Match Officials are permitted to attend in person regional referee training once per month without incurring fines or any negative impact on their playing position or selection. This exemption is vital to support the ongoing development of referees and uphold the standards and integrity of officiating within the game.

I fully appreciate your understanding and support of this initiative and if you need to seek any further clarification, please do not hesitate to contact me.

Many Thanks,

Bradley Burton
